## Would You Like to Buy a Fine Residence Close In?

OR WOULD YOU RATHER TEAR DOWN THIS RESIDENCE AND BUILD AN APARTMENT?

You can do either, and make money out of the proposition that I have to offer right from the completion of the deal. I offer for a limited time, the property on the corner of Sixth street and Traders Alley, No. 116 Sixth street. If you wish to occupy it as a residence it has the following improvements: Lot 56x86½ feet. Eleven room residence, modern, oak and walnut inside finish, eight very fine old mantels, three porches, slate roof, electric and gas lighting fixtures, large cellar, rents for sixty dollars per month, has three baths, running hot and cold water in bed rooms, and could with a little cash be very easily converted into four apartments that would bring a monthly rental of one hundred and forty dollars per month. Property is open on two streets and gets air and light from three sides and for this special reason is as adaptable for the purpose of raising and rebuilding an up-to-date apartment house as any location in the city of Clarksburg. I will be willing to put a few thousand in this proposition along with four or five good business men and build an apartment building at least eight, and perhaps ten stories high, with modern elevator service, with a fire proof building, and such a proposition could be handled for from fifty to seventy-five thousand dollars and would net the investor ten per cent on his money invested, and as for the prospect of tenants there is never a day that I do not refuse some one wanting a house or an apartment in Clarksburg. If interested come to the office. I have an iron clad option on this property and you can either deal with me or the owner.

FOR SALE—20 shares of Pike News Co. stock.
